

# Stand construction offer »Japanese Pavilion« at VISION 2024 in Stuttgart

Exclusively for machine vision companies from Japan we offer you the Japanese Pavilion - a bargain turn-key package to take part in the world's most important event for the machine vision industry and to enter the European Market. Order an all inclusive booth unit to ease your trade show participation and to maximize your success.

The Japanese Pavilion will be located in a good position, includes pre-show marketing and support by our Japanese Representative. Don't let trade show logistics take over your business - we want to help you to focus on your core business, while exhibiting the most cost-effective way.
